LAST WEEK

G.S.E. Visit - Glen Eden

An action packed itinerary being put together. Our Tuesday meeting on the 17th March will be at the Pavilion to which we will invite all our 'Friends of Rotary.'

Rotary Foundation - John Holds

John informed us of the Future Vision Plan which aims to simplify the grants process, and change the way funds are administered. 100 Districts world wide will take part in a pilot program. For D9500 to participate we must have the support of 60% of the clubs.

Sergeant: - Brian Moodie

It was sadly reported that Fai's chooks passed away in the recent heatwave, despite their Taj Mahal of a chook shed. Their passing was noted with a quiet memorial service and afternoon tea. There was no mention of chicken sandwiches on the menu.

GUEST SPEAKERS

Dierdre Patterson, Jenna Patterson. Amy Schirmer, Rob McCusker & Rob Oliver from the Spencer Gulf Rural Health School

Deirdre was first up, giving a broad overview of the aims and objectives of the SGRHS which is jointly funded by UniSA and The University of Adelaide. Broadly the scheme aims to provide 4th & 5th year medical students with opportunity to experience life in a rural environment whilst receiving specific on the job training. The desired outcome is that following this experience, students may well opt to practice their chosen discipline in rural areas.

Guests from S.G.R.H.S.
Rob, Dierdre, Jenna, Amy & Rob.

Jenna elaborated on the specific programs and operational details of the resources and support services available to students, who are encouraged to take up community service opportunities whilst they spend their year with us.

Each of the students provided some background to their range of experiences whilst studying in Whyalla and were glowing in their praise for the program and the opportunity they have been given.
