Rotary Information

Strange but true....

A woman brought a very limp parrot into a veterinary hospital. As she lay her pet on the table, the vet pulled out his stethoscope and listened to the bird's chest. After a moment or two, the Vet shook his head sadly and said, "I'm so sorry, Polly has passed away."

The distressed owner wailed, "Are you sure? I mean, you haven't done any testing on him or anything. He might just be in a coma or something."

The vet rolled his eyes, shrugged, turned and left the room returning a few moments later with beautiful black Labrador. As the bird's owner looked on in amazement, the dog stood on his hind legs, put his front paws on the examination table and sniffed the dead parrot from top to bottom. He then looked at the vet with sad eyes and shook his head.

The vet led the dog out but returned a few moments later with a cat. The cat jumped up and also sniffed delicately at the ex-bird. The cat sat back, shook its head, meowed and ran out of the room. The vet looked at the woman and said, "I'm sorry; but like I said, your parrot is most definitely, 100% certifiably ...dead."

He then turned to his computer terminal, hit a few keys and produced a bill which he handed to the woman. The parrot's owner, still in shock, took the bill. "$150!" she cried. "$150 just to tell me my bird is dead?!"

The vet shrugged. "If you'd taken my word for it, the bill would only have been $20, but with the Lab Report and the Cat Scan, what did you expect?"

Public Relations - Fai Chivell

Fai will write up events as requested for the Whyalla News, starting with Jo Stratton's visit last week.

Service Projects - Soto Stuppos

Thanks to everyone who contributed to the working bee at the Pavilion. Much more room with the arches gone, and the outside servery sealed off and the colour scheme of 'Melted Cheese'. Should go nicely with our predominantly blu banners to make up the Rotary Colours. Carpets, lino or polyurethane flooring to be installed and further working bee to finish off will be held on 19th June. Stay tuned.

Its also time to start thinking about or next major project. David Dunn suggested there may be an opportunity to contribute to a Community Garden at the Hospital by way of a large rainwater tank. Also raised was the lighting at the Whyalla Show Gates originally donated by Rotary.

Members should use the Project Forms to assist in project development and Board approval.

Last Week

Sergeant - Soto Stuppos

Sgt Soto got the night off!

Club Admin - Soto Stuppos

Our changeover is at the Golf Club on July 16th. Ben Sharp is doing the catering and students from St. John's College will be waiting tables.

Finance

Keith reported that our finances remain in good shape. An amount of $2,000 has been paid to the District Disaster Fund as our contribution toward the Queensland Floods and Christchurch Earthquake recovery efforts.

We have also made our final payments to the Cat Club for our Pavilion lease and to Australian Rotary Health for our 'Fenwick' M.S. Scholarship.

Overall we have made $5,274 from the Local Contact with still a few to collect and an excellent Snapper Fishing involvement showed a NP of $6,487.

At the subsequent Board meeting last Thursday a few distributions were made with funds being distributed to The Rotary Foundation, Foodbank , The Whyalla Blanket Appeal and Shelterbox.

Other Topics

John Holds mentioned that we should recognise the contribution of Ron Heading publicly. From there discussion moved to the creation of an honour board of Paul Harris Fellows with a small cross to signify their passing.

John also enquired as to whether the are any Centurion Club reminders and forms pending.
