**LAST WEEK**

**SERGEANT: - Brian Moodie**

Did you hear about the Rotarian who's wife likes fast cars. She asked for something that could go from 0 to 60 in six seconds. He bought her a set of bathroom scales.

**CLUB HISTORY - Vin Higgins**

Vin took us back to 24th October 1991 and Meeting 1864. John Holds was President. Rowley Fenwick was there as a guest of Glen Eden who was also Sergeant. Attendance was 72%. Guest speakers were John Ulstrup and Ron Versteegh who had just completed a gruelling cycling race of 600 km's over sand hills in the Simpson Desert. Vin remembers being an apology that trip.

**GUEST SPEAKER**

***Jenna Boulderstone - Whyalla News***

Jenna has been back at the Whyalla News since May of this year. Her aim is to bring the paper into the 21st century in terms of style and content. Her goals are to keep faith with the community and publish articles provided by sporting groups and community groups.

A country girl, by her own definition, she believes in dealing face to face with people and is holding a community feedback session to develop relationships and networks to maintain community interest.

A country newspaper is a record of the events which take place in the community and priority is given to news items affecting the local community ahead of state or national issues. Jenna is passionate about her Whyalla News and from the range of discussion which developed as she went along, so are we!
