FOUR WAY TEST

of the things we think, say or do.

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

ATTENDANCE AND APOLOGIES

ROTARY INFORMATION

MEETING 2745

Bowls vs Lions Ehrke Theologou Trophy

Most unfortunately for us, we managed to finish second and so handed back the trophy to the Lions. A close call though with Rob Walton's team doing a Hatch(et) job on their opposition and winning by 14 shots. Sadly, although trying hard, our other teams managed to whittle that away and we went down overall by 5 shots.

A gallant effort by all who attended.

At the end of the day it was agreed that the annual match would be played on the 3rd Thursday each March. Oh yeah, and well done Lions!

GSE DINNER

PRESIDENTS REMARKS: - Jari Peltonen

A warm welcome to all present from President Jari with special thanks to Barrie Forsyth who gave a demonstration of Boomerang throwing and to Clint Garrett who entertained us all with many interesting facts about Whyalla and our local flora. Thanks also to Jane & Michele who coordinated the event, Soto who donated the meat, and Jane (again) and Paulette & co who provided the desert. We also cannot forget Valerie Chivell who pressed and stitched all our club banners from around the world and displayed them on the Pavilion walls. Then there are all of the club members who worked tirelessly on the Sunday beforehand to tissy-up the Pavilion.

President Jari & Cheryl get to know Andrew, Jessica, Ki-bong Ho and Cathy from the District 3710 South Korea Gwanaju Team.

HIGHLIGHTS

Fai will be featuring the 'Rotary Half Hour' on local radio 5YYY beginning on the 23rd March. In her heyday, Fai was the 'Acid Queen' so be prepared for something unexpected and different!

BIRTHDAYS

Birthdays during the week to Gleewyn Walton and Bev Eden on 20th, Jack Odgers on the 21st and Marilyn Sichler and John Cagney, both on the 23rd. If I am not mistaken, John was born in 1959. You do the maths.

SERGEANT: - Brian Moodie

Michele and Jane paid the price for not letting a working bee get in the way of a good game of golf as the rest of the club tidied up the Pavilion. My guess is that they did the 'thinking' part of the organising, the rest just followed instructions.

Rowley Fenwick and didgeridoo

PRE-SHOW ENTERTAINMENT

Rowley Fenwick gave us a demonstration of how to play a Didgeridoo and Clint Garret's slideshow dismissed some commonly held misconceptions of how others see us.

LAST WEEK

GUEST SPEAKERS

Group Study Exchange Team - District 3710 South Korea Gwanaju

The team had been in Australia only five days and had just come from a visit to Roxby District. They are Ki-bong Oh who is the team leader. A Rotarian, he is shoe retailer by trade. Kyoung-hoon Park (Andrew) a manager for DK (Digital Korea), Ju-yeon Bae (Jessica) and English Teacher, and Jung-hye Lee (Cathy) and English teacher for children.

They had a whirlwind trip around Whyalla, visiting the Clean Seas Aquaculture farms, Onesteel Steel making plant, the Museum, University Campus and Edward John Eyre High, including the Young Mums Group.

At the pavilion after learning to throw boomerangs, they were keen to share some Aussie Roast, the stuff you give up a date with Tom Cruise for. In return we shared some raw kingfish and sushi.

The crowd enjoy some good old fashioned bush ballads from our finely tuned artists

Our finely tuned artists' almost as old as the songs they sang.

They presented a most interesting travelogue of South Korea and Gwanju Province. It is certainly a most beautiful and interesting part of the world. What intrigued us all were the many festivals and cultural events which take place during the year and the marrying of the traditional past and the modern technological world. At the end of the program we were treated to a traditional Korean song and responded with our own bush balladeers.

Farewell from Whyalla enjoy your stay.

☆☆☆A very special thanks to Glen Eden who took on arranging the full program and itinerary for our visitors whilst they were with us. ☆☆☆
