MAKE DREAMS REAL

LAST WEEK

SERGEANT: - *Soto Stuppas*

On the day the Federal Budget was being brought down, Soto decided to arrest the deficit by sending Rotarians into deficit. Those over 65 paid from their extra pension benefit and those under 65 paid to fund it. Clint, our resident environmental expert, paid to fund the carbon tax; Pharmacist John Cagney paid to fund the PBS; Onesteel employees paid to support the steel industry and the bankers paid for causing the whole crisis in the first place.

GUEST SPEAKER

Ray Leane - Venture Scouts

Rotary and the scouting movement share many common values according to Ray Leane, a leader with the Whyalla venture Scouts. Ray was referring to our Four-way Test, which is proudly displayed on our meeting banner.

Through adventure based activities, the modern Venture Scout learns to overcome adversity, be part of the solution, develop community spirit and seek reward through service and by helping others. They are encouraged to develop leadership skills and personal attributes which will remain with them their whole life. This is combined with a healthy respect for life and a desire to have fun and enjoy.

*Ray receives his Rotary Glass
from Alistair*

The Venturers are scouts aged between 14½ and 18 Ray suggests that given the complimentary attitudes and values between our two organisations that Scouts is a defining start for future Rotarians. Scouting takes young people them off the street and redirects their boundless energy and enthusiasm and diverts it into constructive, community service.

Ray and the Whyalla Venturers earlier this year attended AV 2009 in Perth with 2,400 young venturers from around Australia. All costs were met either personally or through fundraising and Ray urged us to support the Scout Oyster stall at the next Whyalla Show. (From memory, last year they were right next to us).
