### CLUB VISIONING

**WHY DO WE NEED A VISION?** It is our shared view of how we want to be; our shared view to guide our actions and the foundation upon which to build our long and short term plans. A vision, designed and endorsed by us, will help to ensure:

- Continuity of leadership, vision and process.
- Consistency in programming.
- Consensus, solidarity and unanimity in purpose and action.

### WHAT IS CLUB VISION FACILITATION?

It is a process that was designed to help Clubs develop their own direction and the structure necessary to achieve the Clubs' own goals. The resulting vision will not be decided by the District or RI, but by the members of the Club. It is an exercise which strengthens the Club and one of the by-products will hopefully be an increase in membership.

**THE VISION PROCESS.** First, all participants are asked to suspend their beliefs and instead dream! Then through the simple act of writing down goals in a group setting, camaraderie is built, agreement on a vision is fostered and preliminary benchmarks are established. Agreement comes easily from the voting process, when members are given the opportunity to identify the goals that are most important to them. The voting process has proved to be the most popular part of the session because it generates a lot of fun!

**SERGEANT** - Jack Odgers

The Sgt has eyes and ears everywhere, this week fining Soto for arriving early and doing the stewards job of setting up and leaving nothing for the appointed stewards Jane and Kerre to do. They were also fined too of course, for not doing their job.

**CLUB VISIONING IS COMING .  
TUESDAY 29TH MAY AT THE PAVILION.**

# TRIVIA CHALLENGE

Soto arranged this weeks Trivia Challenge from quirky facts and information he picks up when reading. For most of us, we didn't score too well. It's not that we don't read, its just that we must be reading different literature! However one thing is clear, we all learned plenty. Next time I vote for 'multiple choice!'

# PAVILION

During the week and on the weekend, an industrious group of musketeers attended the pavilion to lay the new floating flooring to the Pavilion. A job I think is taking longer and is more complicated that first thought. However this band will not be defeated!

Beginning mid morning on Anzac Day, Soto, David and Brian began by clearing the workspace and unloading the materials. Shortly after they were joined by Keith & Jack.

Some pieces fitted easily and some needed some 'not so gentle' persuasion.

Looking better already!

Brian, Jack, Soto & David.

A brief stop for lunch and Pizza and another shift in the afternoon saw the weary warriors retire for the day.

Soto & Brian were back again early on Saturday & yet again on Sunday.

I don't know how they do it!
