CLUB VISIONING

WHY DO WE NEED A VISION? It is our shared view of how we want to be; our shared view to guide our actions and the foundation upon which to build our long and short term plans. A vision, designed and endorsed by us, will help to ensure:

- Continuity of leadership, vision and process.
- Consistency in programming.
- Consensus, solidarity and unanimity in purpose and action.

WHAT IS CLUB VISION FACILITATION?

It is a process that was designed to help Clubs develop their own direction and the structure necessary to achieve the Clubs' own goals. The resulting vision will not be decided by the District or RI, but by the members of the Club. It is an exercise which strengthens the Club and one of the by-products will hopefully be an increase in membership.

THE VISION PROCESS. First, all participants are asked to suspend their beliefs and instead dream! Then through the simple act of writing down goals in a group setting, camaraderie is built, agreement on a vision is fostered and preliminary benchmarks are established. Agreement comes easily from the voting process, when members are given the opportunity to identify the goals that are most important to them. The voting process has proved to be the most popular part of the session because it generates a lot of fun!

THOUGHT FOR THE WEEK

*Its not the minutes spent at the dinner table that put on the weight;
It's the seconds.*

Reach Within to Embrace Humanity

PRESIDENTS REMARKS - Soto Stuppos

- ▶ District Governor Eric Russell will be visiting on Tuesday 22nd May. ▶ Club Visioning will be on Tuesday 29th May at the Pavilion.
- ▶ The new flooring in the Pavilion will most likely be finished this weekend. ▶ Changeover will be at the Golf Club on Sat. 7th July .

**BIRTHDAYS & ANNIVERSARIES**

- ▶ Vin turned 85 recently.

HIGHLIGHTS

Few to speak of.

- ▶ Paul did some shopping at the BMW Shop where they were offering 50% off. This applied only to merchandise however, not the vehicles. ▶ Kerre did some gardening on the weekend and the vegie plot is now ready for planting.

REPORTS**SECRETARY** - Keith.

A few letters in the secretary's box.

- ▶ A letter and information pack regarding the Science Experience for students in Years 9 & 10. Information has been sent to local schools but should be followed up by clubs if they intend sponsoring students. Cost to the Club would be \$110 per student.
- ▶ Whyalla Council have advised that under our lease arrangements for the use of the pavilion, they will require use of it for the period 11-20th August as part of the Whyalla Show preparations.
- ▶ An invitation from Onesteel to attend the re=launching of the Road safety centre on Tuesday May 8th at 11:30 am.

ROTARY INFORMATION - A.G Tim

- ▶ A reminder that Tim Klar from Shelterbox Aust will be our guest speaker on the 8th May.
- ▶ The President Elect & President Elect Nominee Planning day will be held on 20th May at Black Friars.
- ▶ Tim and a group from Whyalla Norrie Club will be visiting Ceduna on 27th May to assess interest in Ceduna forming a satellite club of Whyalla Norrie.
- ▶ He received \$160 and a couple of raffle books from Colin Barratt who had been handed them by a former Rotaractor. Money to be banked in the Community/Projects account.

RAFFLE

The raffle raised \$43 and was won by Tim.

SERGEANT - Jack Odgers

Jack was into Soto & Brian who had been on their knees all week laying floorboards and were stiff and sore. Hopefully being on their knees, they could easily reach into their pockets and pay the Sgt their fine!

ROTARY INFORMATION - Tim Clements

Tim read from R.I. President Kalyan Banerjee's message to Rotarian's in the latest edition of R.D.U. suggesting that every Rotarian in every club should know that they are not only needed, but relied upon. Every Rotarian should have a job within the club - a role to play. The knowledge that Rotary is having an impact, that it is changing lives, was the key point of the message. Everyone of us has so much potential and can achieve so much when we *Reach Within to Embrace Humanity*.

PAVILION UPDATE

There is still some finishing touches to be made to the Pavilion flooring but the bulk of the installation has been done by Brian and Soto. The sheer amount of time spent on this project by these two is simply amazing and the work is also physically draining, taking toll on back and knees in particular.

Completion the edging and sealing of the flooring is about all that remains. This is something that anyone can be a part of, and needs to be done before our Visioning evening on 29th May.

A further and hopefully final, working bee will be held this weekend.

**CLUB VISIONING IS COMING .
TUESDAY 29TH MAY AT THE PAVILION.**
